INFORMATION BROCHURE

From Chairman's Desk

Welcome to Aligarh College of Nursing !

With the inspiration of Florence Nightingale, ACN Wishes to light the lamp of Service and dedication in every heart which was enlightened years ago.

The institution provides nursing education strictly as per the norms laid down by Indian nursing Council at a cost effective fee and innovative learning methodology with high nursing standards.

The institution's presence in developed countries like Spain, U.K. and Australia, brightens career opportunities for students during the training. The institution's international exposure equips students with skills required for overseas employment during the training itself.

To achieve its objective of promoting and propagating nursing profession with the spirit of human service, our institution adopted a missionary approach to reach out to the world and join likeminded institutions and individuals.

May you see dreams and fulfill them the everlasting blessing of the Almighty.

R.A. Chaudhary

About the Institute

Aligarh College of Nursing is governed by All India Rehabilitation & Educational Society, registered under Societies Registration Act, 1860 and managed by the Executive Body of ACN Group of Institutions which was founded in 1993. Under the expert guidance and expertise of ACN management. Aligarh School of Nursing offers good quality education for those aspiring to make a future in Nursing/ Para-Medical Sciences.

Aligarh College of Nursing is an autonomous non profit making body situated opposite F.M. Tower Anoop shahar Road, at the distance of 6 km. from Aligarh Railway Station and 4 km. from AMU towards north on the Anoop shahar road leading to Kasimpur Power House.

Aligarh is situated in the midst of Do-aba, the land between the Ganga and Yamuna rivers at a distance of 130 km South East of Delhi on the Delhi Howrah Rail National Track and on the Grand Trunk Road. The latitude is 27°54' N and longitude is 78°05' E. The Climate is hot in summer and cold and dry in winter with intervening rainy season.
